

## LXM ranked top for Greek Equities

7<sup>th</sup> June 2018, London – In the 2018 Extel Survey the investment community rated LXM Group as the leading firm for Greek Equities Sales.

**Matthew Mavridoglou, Chief Executive Officer, commented:** “We are grateful to all our clients who voted for us, and are thrilled to receive this recognition at a point when attention is again on the economies of Southern Europe, where much of our business is focused.”

“The team really deserves this ranking. They are brilliant in their field – real specialist and experts – delivering fantastic results for clients. I’m extremely proud of them and the whole team.”

“We continue to see Southern Europe, and Greece in particular, as a growing opportunity for investors and in-depth local insight is vital to navigate that market.”

In results published yesterday, LXM outranked the competition for Greek Equity sales. The Group’s Head of Southern Europe, Petros Mylonas, secured first place in the individual rankings, with Kimon Roussos, Head of Sales, Louis Nicolopoulos, Senior Investment Adviser and Christoforos Papanicolaou, Senior Adviser, in 5<sup>th</sup>, 6<sup>th</sup> and 11<sup>th</sup> place respectively.

LXM Group’s Southern Europe team offers bespoke analysis on Greek macroeconomic, political and corporate themes across equity and other asset classes. In addition, the Group offers investment banking services across the Greek market, including advice on mergers and acquisitions, disposals, capital raisings and corporate solutions.

The team will be available for meetings during the Athens Exchange Greek Investment Forum in New York on 19-20<sup>th</sup> June.
